

Zap Apollo Message Pager

Versatile

The Zap Apollo message pager is compact and fully featured. It can receive and store up to 20 messages (maximum 80 characters each) and is ideal for customers requiring detailed text message capability.

Discreet

For complete discretion, it can be programmed to alert you silently of an incoming message. You can also choose from a range of audible alerts.

Reliable

You can rely on receiving your messages within seconds. Paging Networks use advanced satellite technology to relay messages to you via transmitters located across the UK.

Easy To Use

To send a message, callers simply dial your pager number (which connects to the 24-hour Paging Call Centre) and leave the message with the Call Centre operator.

Call Charges

Calls to this pager from BT landlines are charged at a fixed fee rate, irrespective of the length of time that you are on the phone.

The BT tariff code is 'ff9 - Calls to Fixed Fee Numbers'.

Other operators (including mobile networks) may charge different rates.
